

WSIA Member Benefits for Associates and Media

Why join the WSIA?

WATERWAY PROTECTION:

If there are threats to your waterway access, the WSIA will help you defend yourself. If anyone has a problem with boat wakes or other issues, we can minimize this threat with factual data from our Wave Energy study. Our Waterway Protection team has over a decade of experience in this field as well as a proven track record of success.

CAPTAIN'S ETIQUETTE VIDEO:

Most (if not all) waterway battles begin with a disrespectful captain and a disgruntled homeowner. Watch and share this important video, which helps minimize waterway conflicts.
